Lake Money Resort

Lake Morey Resort

We specialize in creating weddings as unique and distinct as each couple. We have been hosting friends and families for three generations, cultivating a variety of lakefront event rooms, spectacular lakeside and garden spaces, freshly appointed guest rooms, classically trained chefs and professional service staff; all awaiting to make your day exceptional. Lake Morey provides each wedding with a personal wedding coordinator, a full-service set-up department, wedding host, professional service staff and complimentary cake cutting service. During the event, your coordinator will handle all the details so you can focus on what's important - the people you love and the occasion that brought them together.

Liquor Policy

The staff at Lake Morey Resort works hard to ensure that our guests enjoy our facilities and services. However, when we are serving alcoholic beverages, we have legal and social obligations to uphold. For everyone's safety and welfare, we insist that alcohol consumption be done in a responsible and legal manner. Among the major laws and policies our guests should be aware of are: Absolutely no one under the age of 21 may consume alcohol. Persons who appear underage will be asked to produce a valid state photo identification card. We reserve the right to reject any ID in order to comply with Vermont State Law. We are mandated to control consumption. We must refuse anyone who we perceive to be under the influence. No shots nor cocktails with four or more liquors will be served. All alcoholic beverages consumed during group events or in public areas of the resort must be furnished by Lake Morey Resort. Under no circumstances may guests bring their own alcohol into a group function, as it is strictly prohibited by Vermont State Law. Problems with alcohol consumption can undermine the success of an event. We appreciate in advance your concern, understanding and cooperation.
